TGRI AND GT RADIAL TIRES RISE TO THE PODIUM AT THE 2024 YOGYAKARTA NATIONAL SLALOM CHAMPIONSHIP

Toyota Gazoo Racing Indonesia (TGRI) continued its positive momentum in the MLDSPOT Autokhana National Slalom Championship 2024 Series 3 at the Mandala Krida Stadium Circuit, Yogyakarta, on August 10, 2024. Equipped with GT Radial SX2 and GTX Pro tires, TGRI brought young racers Anjasara Wahyu, Adrianza Yunial, Herdiko Setyaputra, and Alinka Hardianti to compete behind the wheel of the All-New Agya GR Sport.

Anjasara Wahyu managed to secure the third podium in the F National Championship (Modification) category with a time of 00:42.816. Despite some challenges, the chemistry between Adrianza and Anjasara paid off, as the duo claimed the top spot in the Tandem National Championship.

The impressive performance of the **GT Radial SX2** tires, known for their superior grip and handling, played a pivotal role in the team's success. The event was also highlighted by Alinka Hardianti's first-place finish in the Women's National Championship with a time of 00:41.598, further demonstrating GT Radial's commitment to motorsport excellence.

EXCITING COMPETITION AT ISSOM 2024 WITH GT RADIAL'S SUPPORT IN ITCR 1200 CLASS

The third round of the 2024 Sentul Series of Motorsport (ISSOM), held at Sentul International Circuit on August 25, 2024, saw thrilling competition in the ITCR 1200 Rising Star class. Toyota Gazoo Racing Indonesia (TGRI), backed by GT Radial, fielded racer Amato Rudolph, who led much of the race using GT Radial SXR tires before finishing second. The SXR tires, known for their excellent grip and stability, enabled Rudolph to stay competitive in a challenging race environment.

GT Radial's partnership with TGRI, as the official tire sponsor, played a significant role in securing this podium finish. The superior performance of GT Radial tires was also demonstrated by racer Jordan Johan, who managed to finish 12th despite an early pit stop. With three more rounds to go, the team and GT Radial are poised for even greater success as they continue to prove their dominance in Indonesian motorsports.

DAIHATSU AND GT RADIAL BRING EXCITEMENT TO SOLO THROUGH KUMPUL SAHABAT EVENT

On August 25, 2024, Daihatsu, in partnership with GT Radial, hosted the *Kumpul Sahabat* event at Manahan Stadium in Solo, Central Java. The event, a celebration of Daihatsu's loyal customers, featured the "Xetia With Xenia" program, which recognized long-time Xenia users who have kept their vehicles in excellent condition. GT Radial, as Daihatsu's official OEM tire partner, contributed to the event by offering its products as door prizes, much to the delight of attendees.

The event provided a platform for GT Radial to engage directly with automotive enthusiasts. A booth was set up in collaboration with local tire centers, **Tirezone Sumber Jaya Ban** and **Tirecenter Sumber Jaya Solo**, where visitors could learn about GT Radial's range of products. The evening was capped off by an energetic performance from the band JAMRUD, making the *Kumpul Sahabat* event not just a gathering but a lively celebration of the strong relationship between Daihatsu, GT Radial, and their loyal customers.

GT RADIAL TIRES SHINE AT THE MANDALIKA FESTIVAL OF SPEED (MFOS)

At the Mandalika Festival of Speed (MFOS) held from August 30 to September 1, 2024, at the Pertamina Mandalika International Circuit, GT Radial once again proved its prowess in high-performance tires. The event, which featured prestigious competitions such as the M2 Trophy Indonesia, Porsche Sprint Challenge Indonesia, and Time Attack, saw GT Radial's Champiro SX2 tires take center stage.

During the **Arrive & Drive Time Attack** using 2 units of Agya GR Sport, the switch from standard tires to **GT Radial Champiro SX2** improved overall safety and performance on the challenging circuit. This move, spearheaded by Priandhi Satria (CEO of Mandalika), highlighted the tire's superior grip and stability, allowing both professionals and amateurs to fully experience the track's demanding conditions. GT Radial's presence at MFOS solidified its position as the preferred choice for performance-driven motorsport enthusiasts.

GT RADIAL STANDS OUT AT INDONESIAN DRIFT SERIES (IDS) 2024 ROUND 3 IN MEIKARTA

The Indonesian Drift Series (IDS) 2024 Round 3, held at Meikarta Speedway on August 17-18, 2024, was an intense competition that saw GT Radial tires perform at their best. The event featured three classes: Pro, Pro 2, and the Women Drift Challenge (WDC). Since its inception in 2021, IDS has become a prominent platform for over 100 drifters, providing them with an arena to showcase and refine their skills.

GT Radial was well represented by drifter **Alinka Hardianti**, who competed in the **Women Drift Challenge Pro Class**. Facing stiff competition, Alinka skillfully navigated the course with **GT Radial SX2** tires, securing an impressive third-place finish. Her performance demonstrated not only her own drifting expertise but also the toughness and reliability of GT Radial tires, even in highly competitive settings.
