## **GT RADIAL SUPPORTED TOYOTA GAZOO RACING INDONESIA (TGRI) IN ACHIEVING SUCCESS AT THE 2024 AUTOKHANA NATIONAL CHAMPIONSHIP**

The performance of GT Radial tires was one of the key supporting factor in Toyota Gazoo Racing Indonesia's (TGRI) success at the 2024 MLDSpot Autokhana National Championship Series 5 on October 5, 2024, at the Bundaran Lagoon circuit in Bekasi.

Fitted with GT Radial SX2 and GTX Pro tires, the all-new Aygo GR Sport, trusted by TGRI, handled every challenge on the track. With young drivers Anjasara Wahyu, Adrianza Yunial, Herdiko Setyaputra, and Alinka Hardianti, TGRI achieved numerous impressive accomplishments.

In the National Championship F class, Anjasara Wahyu led by securing the First Podium in the final with a time of 00:41.422. Adrianza Yunial took third place with a time of 00:41.713, followed by Herdiko Setyaputra in fifth. With a total time of 04:35.888, TGRI placed their team at the top.

In the National Championship Team A, Anjasara, Adrianza, and Herdiko demonstrated their strength again with a time of 04:51.270, securing the First Podium for TGRI. Adrianza and Anjasara also dominated the National Tandem Championship, finishing in second place with a combined time of 01:30.342. In the women's class, Alinka Hardianti performed brilliantly, achieving the Second Podium with a time of 00:53.146, using the All-New Agya GR Sport, which proved competitive in every series of Autokhana 2024.

Despite facing challenges, the outstanding performance of the GT Radial SX2 and GTX Pro tires, known for their superior grip and handling, played a major role in the team's success and further demonstrated GT Radial's commitment to supporting motorsports.

## **OUTSTANDING PERFORMANCE OF GT RADIAL TIRES IN THE 2024 INDONESIAN DRIFT SERIES (IDS) ROUND 5, ICE BSD**

The fifth round of the 2024 Indonesian Drift Series (IDS) on October 5-6, 2024, at the ICE BSD Circuit, Tangerang. A total of 64 participants competed across five classes: New Gen, Woman Drift Challenge AM, Woman Drift Challenge Pro AM, Pro 2, and Pro. GT Radial was represented by drifter Alinka Hardianti, who competed in the Women Drift Challenge Pro Class.

Facing tough competition, Alinka successfully mastered the track with the support of GT Radial SX2 tires. Her performance not only demonstrated exceptional drifting skills but also showed the strength and reliability of GT Radial tires, even in a highly competitive environment.

## **"KUMPUL SAHABAT": GT RADIAL AND DAIHATSU SUPPORT THE GROWTH OF UMKM IN SIDOARJO**

GT Radial, together with Daihatsu, held the "Kumpul Sahabat" event on October 13, 2024, at the East Parking Area of GOR Delta in Sidoarjo, East Java. This event was specifically designed for loyal Daihatsu customers and featured the "Xetia With Xenia" program to show appreciation to long-term Xenia users who had maintained their vehicles in prime condition. GT Radial, as Daihatsu's official Original Equipment Manufacturer (OEM) tire partner, also participated to help make the event a success.

Kumpul Sahabat provided a platform for GT Radial to interact directly with automotive enthusiasts. Through a specially designed booth, visitors could learn a great deal about GT Radial

products. The event concluded with an energetic performance by Kangen Band, making Kumpul Sahabat not only a gathering but also a celebration of the strong relationship between Daihatsu, GT Radial, and their loyal customers.

## **GT RADIAL TIRES SHINE AGAIN AT THE 2ND ROUND OF THE MANDALIKA FESTIVAL OF SPEED**

The second round of the Mandiri Mandalika Festival of Speed (MFOS), held on October 13, 2024, at the Pertamina Mandalika International Circuit, came to a close. The event was thrilling and provided an exciting spectacle for automotive enthusiasts. GT Radial tires once again demonstrated their superiority, proving themselves as high-performance tires. The event featured prestigious competitions like the M2 Trophy Indonesia, Porsche Sprint Challenge Indonesia, and Time Attack, where GT Radial's Champiro SX2 tires took the spotlight.

In the Arrive & Drive Time Attack event, which used two Agya GR Sport units, switching from standard tires to GT Radial Champiro SX2 tires proved to enhance safety and performance on the challenging circuit. Priandhi Satria (CEO of Mandalika) explained that the tires' superior grip and stability allowed both professional and amateur drivers to experience the Mandalika track comfortably and safely. GT Radial's presence at MFOS further solidified its position as the top choice for motorsport fans who prioritize performance.

## **GT RADIAL COLLABORATED WITH WULING ALMAZER AT THEIR 5TH ANNIVERSARY**

The Wuling Almaz Indonesia Community (WALI) recently celebrated its 5th anniversary. On October 12, 2024, WALI organized a "Rolling Thunder" or mini-tour from several cities, gathering at the final meeting point, Revo Mall in West Bekasi, which also hosted the main anniversary event.

The enthusiasm of the participants was evident this year, with many taking part in the entire series of activities right up to the main event, still showing incredible energy during the celebration, gathering, and in supporting the performances by Lucky Octavian and Tami Aulia.

GT Radial's sponsorship of this event demonstrated its commitment to continuously supporting the positive activities of automotive enthusiast communities like WALI. The hope is that this strong relationship can be maintained for the continued advancement of Indonesia's automotive scene.
